## CAMELLIA LINERS

Nice, healthy plants.

Our plants are grown in fumigated beds in loamy soil with plenty of peat for a fibrous root system.

Good color one and two year plants.

Growing Camellias in gallon cans is growing in popularity everywhere.

Plant in gallon cans for Spring and Summer sales, or grow them in cans for one Summer and have on hand nice, healthy, budded plants for next Summer sales.

Packaged Camellias, Azaleas and Evergreens are also our specialty. We package any variety of your choice.

Each package is neat, moisture proof, contains 5 plants each labeled, also planting instruction on each package. Packed 25 packages to crate. Shipping weight app. 35 lbs. Shipped by Express or Motor Freight collect.
